**There will be no
May Membership Meeting.**

Hello, Friends.

We hope you and your families are well. Missing friendly faces, missing our friends at RADL, missing our RADL! I guess we are rich in having wonderful things in our lives to fondly miss. (I don't miss potholes, mosquitoes, Swimmer's Itch, sleet or plastic wrap that sticks to itself.)

In coming weeks, we anticipate that plans will be formulated to resume many daily activities within our community. The Friends of RADL will need to align itself with the community plans. Additionally, our Friends' Board will develop recommendations to be shared with our membership for your consideration.

There will be no May Membership Meeting, even if the "stay-at-home" request is lifted.

I have been asked if there will be a spring used book sale. No, there will not be a spring used book sale.

Please hold onto any Family Fare receipts you have. There's no time limit on that project. We will resume collecting and counting when it's reasonable to do so.

**In the meantime, thanks to Rita Battocletti for the
"Helpful Household Tip of the Day"!**

Hold on to those receipts, they have many uses!

Best Wishes,

Linda Brick

Dear Friends,

With great sadness we share the news that our long-time member, Lillian Fultz, passed away on April 18. You may recall that Lillian championed a battle with cancer for many years. She was 95. As is our custom, the Friends will make a donation in her memory to RADL. We extend our condolences to her family and friends. We are so fortunate to hold many fond memories of times with Lillian. Thank you.
