Participants will be physically distanced in the Community Room and required to wear masks at all times. A look inside the book: For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens.</p>

After meeting the charming and beautiful Cinzia Zaccardi (Sophia Loren) at a concert, he hires her as a live-in nanny. Unbeknown to Tom, Cinzia is actually a European socialite on the run from her domineering father (Harry Guardino) and has absolutely no experience with cooking, cleaning or raising children.
